***Audition: A Memoir by Barbara Walters***

How did Barbara Walters cut through that glass ceiling and manage to be on the cutting edge of television performance for 40 years? Is she just lucky—or did she create her “luck” with hard work and chutzpah? And how did she get that first big interview with Barbra Streisand and her live-in hairdresser, what’s his name? We’ve all seen Walters doing her thing with interviews and news shows and THE VIEW. But how about a close-up of Barbara Walters off-camera? Jenny Riddle gives us just that and more in her show, “Barbara Walters’ AUDITION.” You’re going to learn some intimate details about this woman who was the first woman co-anchor on prime-time news and who was the most celebrated interviewer in TV history. What do you want to know? Jenny will tell all!
